

## ST. PAUL'S LUTHERAN SCHOOL STAFF

Our vision is to have our students meet high academic standards and learn to live with one another in Christian love now and in eternity. St. Paul's Lutheran School will provide a safe, nurturing and structured environment for students to learn, make friends and live as a disciple of Jesus Christ in this life and the next. Students' learning will progress according to their skills and abilities and students will be encouraged through timely feedback and positive reinforcement. Families will have opportunities for spiritual growth. An outstanding school counseling program will promote positive social and emotional growth.
